Complete Market Reports Corrected Each Day Giving the Wholesale Prices of Commodities, Farm Produce and Vegetables.

PORTLAND, July 16.—Four men were busy this morning handling Sunday's and this morning's arrivals from the South. Two cars of cantaloupes, two of watermelons, two of oranges, and a car of lemons were moving rapidly, the local and out-of-town orders being heavy and insistent for everything along these lines. Lemons and oranges were wanted especially, and prices remained very firm at last week's advance. Lemons ruled at about \$7 for choice fruit, and good-sized Valencia's were quoted at \$4.75 to \$5 a box, with supplies not up to requirements. Watermelons sell at 25c per pound loose, 3c crated.

The wreck near Ashland held up two cars of green fruit, two of oranges and one of lemons, all of which were due this morning. There was only a fair amount of deciduous fruit on the street, up-the-Columbia peaches and apricots being in small supply.

Eggs and Butter.

There continues to be a very good market for all concerned in the egg market, prices being firm at 22c, which is considered reasonable to buyer and satisfactory to seller. In some quarters a half cent is named on top of the generally accepted figure. Ranch eggs are not coming in sufficiently to meet requirements, but the light receipts are being augmented by the Eastern goods, that sell side by side with the local eggs. No Portland storage eggs are being withdrawn, as far as could be learned. Butter is firmer, though there are still very heavy receipts from usual sources of supply, and some from quarters new to this trade previous to this year.
